COVID-19 DASHBOARD – December 2, 2020

To protect the health of our School Community and per the Emergency Order issued by the Michigan Department of Health and Human Services Reporting of Confirmed and Probable Cases of COVID-19 at Schools on October 6, 2020, Iosco RESA will use this webpage to provide Public Notice to our School Community regarding School Associated Cases of COVID-19. Within 24 hours of being notified of a School Associated Case by District Health Department #2 this dashboard will be updated to include new and cumulative COVID-19 case counts. Individuals identified as Close Contacts of School Associated Cases will be notified separately and directly by District Health Department #2.

Updated: December 2, 2020

STATUS OF INSTRUCTION AND SCHOOL-SPONSORED FUNCTIONS

SCHOOL ASSOCIATED COVID-19 CASES

On December 2, 2020, District Health Department #2 made us aware of the following case counts of School Associated Cases of COVID-19 amongst the Iosco RESA School Community. This data may include probable and confirmed cases as reported by District Health Department #2 among students, staff, administration, coaches, or visitors, if the person with COVID-19 was in the building or participating in a school-sponsored function during their infectious period.

New Cases (Since Last Update)	1
Cumulative Cases (Since Reporting Began)	1
Populations Affected	Staff, Students

As a precaution, we will be disinfecting applicable areas of the school. This may include spraying classrooms, hallways, and common areas, as needed, with a sanitizer, along with other methods of disinfection.

ACTIONS YOU CAN TAKE

We recommend taking action to help limit the spread of COVID-19, even if staff members or students are not experiencing symptoms:

- **Wear a mask** (covering mouth and nose) while in public places or if people who do not live with you must visit your home.
- **Practice social distancing** (maintaining a distance of 6 feet apart).
- **Practice frequent handwashing** (using soap for 20 seconds or hand sanitizer with 60% alcohol).
- **Follow capacity restrictions** of social gatherings.
- **Cover coughs and sneezes** with a tissue or with the inside of your elbow and immediately wash your hands.
- **Stay home if you are sick**; you can also get tested.
- **Answer the phone if the health department contacts you**, as a contact tracer may be trying to reach you with important information.

This information does not mean you should quarantine or isolate. Those members of the School Community who were or are suspected to have been in Close Contact with a School Associated Case will be notified by District Health Department #2 and/or Iosco RESA.

Thank you for understanding that, due to medical privacy laws, we are not able to release the names of the individuals with COVID-19. We will continue to communicate changes and updates with you. With your participation, we believe we can maintain a safe environment while also providing quality education.
